

SURFOX PRE-WELD

Quick Evaporating Surface Cleaner

SURFOX Pre-Weld is a fast drying surface cleaner formulated for preparing and degreasing metallic surfaces prior to applying conventional or water-based coatings. SURFOX Pre-Weld removes contaminants such as processing oils, anti-corrosion oils, light waxes, and similar contaminants which can have a detrimental effect on coating adhesion properties or on welding properties.

Features & benefits:

- Quick drying water-based cleaner
- For cleaning and degreasing prior to painting, coating and welding
- Ideal for manual cleaning, ready-to-use
- Removes processing oils, light waxes and other contaminants that affect paint adhesion
- Quick evaporating action to ensure a residue free surface once the product contaminants are wiped away
- Provides temporary corrosion protection
- Water-based, high flash point
- Replacement for surface preparation solvents such as acetone
- Biodegradable, VOC reduced and phosphate-free

Description	Size (Metric)	Size (Imperial)	Order No.	SDS
Sprayer	500 ml	16.9 oz	54-A 073	S-13E
Liquid	5 L	1.3 gal	54-A 076	S-13E
Liquid	20 L	5.2 gal	54-A 077	S-13E
Liquid	208 L	55 gal	54-A 078	S-13E

ACCESSORIES

Surfox Pre-Weld refillable trigger sprayer	53-L 354
Spout for 5L pail	53-L 113
Spout for 20L pail	53-L 207

Technical Information

Density	1.00 g/ml
Flashpoint	40°C (104°F)
Odor/color	Mild/orange
pH (50g/L H₂O)	9.41
Risibility	Excellent
VOC	72 g/L
